

Nancy Frank, MPH

Executive Director, North Country Health Consortium

Director, Northern New Hampshire Area Health Education Center

The North Country Health Consortium is a rural health network in Northern New Hampshire. Nancy provides leadership for innovative projects and programs that respond to regional community health needs. Nancy has worked in public health for nearly thirty years with a focus on rural and community health, healthcare workforce development and education, systems design, and advocacy. She currently serves as President of the New England Rural Health Round Table, and on the Executive Committee of the New Hampshire Oral Health Coalition. Nancy holds a Bachelor of Science (BS) in Consumer Science from the University of Wisconsin-Madison, and a Masters of Public Health (MPH) in Community Health and Maternal and Child Health from the University of Illinois-Chicago.
